EBOOKS AND CCH INTELLICONNECT TO CHECK OUT

Attorneys have often expressed the need for access to library resources in their offices. The library has a new tablet and laptop that subscribers can check out to meet some of those needs.

The laptop provides access to CCH Intelliconnect Tax and Human Resources Libraries, wherever there is an internet connection. The CCH service includes the IRS Code, federal tax regulations, IRS administrative rulings, tax legislation, COBRA Guide, employee benefits management sample documents, *Employee Benefits Answer Book*, *Health Insurance Answer Book*, *Mandated Benefits Compliance Guide*, *Environmental Compliance Guide*, *Pension Plan Guide*, *Social Security Reporter*, and more.

The following ebooks are available on the laptop and tablet:

- *Anderson's Ohio Domestic Relations Practice Manual*
- *Anderson's Ohio Criminal Practice and Procedure*
- *Anderson's Ohio Probate Practice and Procedure*
- *Ohio Business Entities*

In addition, the laptop has the following titles:

- *Weissenberger's Ohio Civil Procedure Litigation Manual*
- *Anderson's Ohio Civil Rules Practice with Forms*

The ebooks must be used on one of the library devices. They are not yet available to check out to download to your own computer.

The law library can also check out and download legal ebooks from other libraries to the devices. Currently, the number of legal ebooks is very limited, but if you would like to know if a title is available in ebook format, ask the library staff and we will check on it.

Both the laptop and tablet check out for one week, and can be renewed if no one else has requested them.

The law library was able to purchase the tablet, laptop and ebooks with a grant provided by the state law library consortium. The grant included funds for carrying cases, so the devices are easy to transport from the library to your office.

If you can't find the item you need at this library we can usually obtain it for you from another library!
